Venture Capitalist & Business Coach Shares the Secret!

A speaker with passion and inspiration combined with the experience of leading and building sales teams to 100,000+ provides a take charge message that will move an audience into massive action! Bill has lectured to groups from 20 to 20,000! He will leave the organization with a firm understanding of precisely what it takes to turn their dreams into reality! He will share specific strategies and concepts that he has utilized in consulting to companies and entrepreneurs worldwide in the area of personal development, business systems and accountability programs. As he speaks from the heart about the passion for living an extraordinary life, people will leave inspired, energized and convinced that they have the power to achieve their individual and corporate goals!

Speaking Topics:

- 3 Pillars to Success
- Business Growth Strategies
- How to Connect with Millionaires
- Advanced Business Systems
