"To build something great it takes a monumental effort on all of those that are involved! The concept of the WIN Global Mastermind was very profound and highly complex as it developed. Assemble a group of really smart successful people that come together at exotic locations over the course of the year to mastermind with each other, learn from industry experts, build companies and support charities! What a concept – what a culture we have created." Bill Walsh Founder of WIN Global Mastermind

THE RECIPE FOR SUCCESS IS THE FOLLOWING

AMAZING PEOPLE
GREAT PLAN
INCREDIBLE FUN
HIGH LEVEL LEARNING
MIX IN A LITTLE GOOD KARMA

ACHIEVING MOMENTUM IS THE KEY TO MASSIVE SUCCESS

At WIN you will experience the knowledge, expertise and people that you need to take your vision to the next level!

"IT'S POSSIBLE!" Les Brown

THE POWER OF A MASTERMIND

When you are a member of the WIN Global Mastermind you are part of an exclusive Mastermind Family that you will work with over the course of one year. At each WIN event you will meet up and work with new members to focus on achieving your biggest goals. This is a function of the WIN Global Mastermind that allows each of the members to get to meet other successful entrepreneurs and at the same time give you an accountability process to work with you to focus on achieving your higher goals!

It is imperative that you be a part of a team. All empirical data shows that leaders who work with teams are much more successful than attempting to succeed all by yourself! It is also a great way to make new & inspiring friends!

THE MASTERMINDS MAY FOCUS ON SEVERAL DIFFERENT TOPICS INCLUDING:

Charitable Work
Sales Accountability
Specific Measurable Goals
Business Development Targets
Sales & Marketing Initiatives
Organizational Growth
Team Development
Product Launch & Creation

“A clear vision is one of your greatest sources of Inspiration!” Bill Walsh
